

# 1981 Annual Index

The symbols +, =, and - indicate whether White won, drew, or lost the game respectively. If a player's name precedes the symbol, he had White; if his name follows the symbol, he had Black. Each entry is followed by a two-letter abbreviation for the month the game appears and a page number. Thus, under Karpov, the entry "Miles, JN 24" indicates a game Karpov lost as White (the "M" means White lost) to Miles, appearing on page 24 of the June issue. Under Miles, the same entry reads: "Karpov, JN 24." The abbreviations: JA = January; FB = February; MR = March; AP = April; JN = June; JL = July; AU = August; SP = September; OC = October; NV = November; DC = December.
